

About Us

PurseSuits of Happiness offers unique, fashion forward handbags, jewelry, accessory designs and gifts for retail as well as wholesale for retailers and boutiques. We feature original designs by PurseSuits in addition to fresh, original finds from around the world. Our goal is to assist you in finding those unique items and gifts that you will not only cherish and make you feel special, but also to assist you in creating that stylish and original look that is always a step ahead of ordinary.

To accomplish this we will frequently add new merchandise and creations to update our inventory, while paying attention to reserve the quantity of a particular item offered. This will ensure that your purchases and gifts are tres exclusive. If you see an item that you like for yourself or for someone else, keep in mind that many items are either limited or one of a kind pieces. In other words, if you like an item, grab it. Otherwise we would hate for it not to be avaiable when you return later to make that purchase. Our inventory is updated frequently, so please visit often for the best selection. Sign up for email notifications to receive information about promotions, sales, new collects and events.
